

Greenwich, Connecticut, welcomes CG Homes, A extraordinary partnership in creating a vision for homeowners to 'thrive' in their homes with forward-thinking designs and redesigning a luxury lifestyle.

This Manhattan based company has completed Boutique Buildings in premier locations in Manhattan and residential properties in Westchester County, New York. After great success they have embarked on their first Greenwich project.

The concept is a commitment to modern design principles, characterized by clean lines and minimalist elegance creating seamless transitions between spaces. Blending indoor and outdoor areas to create a cohesive flow throughout the homes.

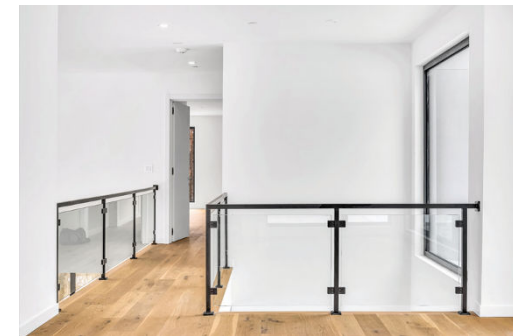

"Our passion is creating homes where a sophisticated design meets an unparalleled functionality, resulting in an extraordinary living experience."

Headquartered in New York, CG Homes is a distinguished real estate investment and development firm, operating as part of the Colonnade Group.

Led by Michele Chiari, the Managing Partner of CG Homes and Co-founder and President of IDL Haus, along with Greg Altshuler, the founder of Colonnade Group, the company is in constant growth. Together, Greg Altshuler and Michele Chiari drive CG Homes, a vital part of the Colonnade Group, towards the realization of its vision in the real estate industry.

At CGH, they take pride in curating an extensive array of high-end products and sophisticated features sourced from renowned brands and top-quality materials, all aimed at transforming the home into a truly distinctive creation. Discover the perfect blend of elegance and functionality as you explore the carefully selected offerings that elevate your living spaces to new heights of style and comfort. ■
